**AMBUCS Notes**

Home Show - Still happening!  
Contact Richard Woodard or Phyllis Busey if you have specific questions.

Social Chair - Still looking for the right person for this position. Please come forward and do your part.

Bar Stool Golf Outing - If you remember, last year one of our best fund-raisers was the Bar Stool Golf Outing. Basically teams sign up (and pay) to travel around to several bars and play put-put golf. There are lots of prizes and everyone has a good time.

We help run the show that day. We keep score and help keep folks moving. This year's Golf Outing will be held February 22, 2003.

Today, we wrapped Presents for the Children's Christmas Party this weekend.

**Nomenclature**

*District Governor*

Assists, visits, and supports clubs in the district, installs club officers, and conducts district meetings.

**History**

*1930's*

Don't think that the membership became slack in the 1930's. Quite the contrary. The national headquarters was moved to Reading, PA in 1931 and to Detroit, MI in 1932.

The move to Detroit was during the term of popular National President Herman J. Smith (our 11th). This colorful man was perhaps better known as the "Kentucky Colonel" at Mackinac or "Smitty from Ponca City".

More on Smitty and further growth next week!
