Pro P.T. Clinic

Rob McConkey

Rob McConkey, a past AMBUCS scholarship winner and partner in Pro P.T. Clinic, stopped by to give us the low down on his business.

He is a physical therapist and athletic trainer who concentrates on helping clients build strength, balance, co-ordination and works with doctors on post-surgery protocols. "I like to see people get better," he said.

The business offers a wide variety of therapeutic options to help patients regain their strength. They also offer sports clinics for area athletes.

He brought in some tools of his trade: a balance board, a shoulder strengthening devise and a swing fan that helps golfers strengthen their swing.

He's located at corner of Poland Rd. and Vermilion Streets.
