Pat Phillips Our New President!

Pat's first order of duty was to remind all of us that we serve those with disabilities and we love to have fun. She is reinstating the "AMBUC of the Day".

Each week someone will be volunteered for this honor. That person can share information about himself or herself so that we get to know our fellow AMBUCS better.

The first volunteer is Phil Ferguson. Today Phil shared something about himself that none of us ever suspected, a second personality. Suddenly we were presented with someone called Dr. Phoney.

His job is to provide the universe with tips on eliminating phone Spam. A few of his suggestions was to ask them personal questions, then set the phone down or ask them for a date. The last one gave him the ultimate accomplishment, the telemarketer hung up on him.

For more suggestions just contact Dr. Phoney, if you can find him.
