Stephen Norton Spensor Coin Collecting

Stephen Norton Spensor brought his extensive collection of coins along with a lot of trivia about the coins history.

There is a Danville Coin Club, the member dues are 3\$ per year per member (what a deal!).

They meet the 3rd Monday each month at 6:30pm in the Danville Library.

October 2nd - 9-4 will be a trade show.

Summer Camp

Summer Camp will take place the last week of July and the first week of August. AMBUCS meetings will be held at the Grotto those two Wednesdays.

Mellissa has reminded all Amubucs to let her know of your intentions to volunteer for helping with the Lunch that we cook for the kids.

Challenger Baseball

Frank Young and Bob Richard were presented plaques for their sponsorship this year.

Woodard's Computing Service, Polaris Financial Services, Danville Police Department, Vermilion County Handicap Association, Terminix, Youngs Legal Eagles were also sponsors.

If you were not able to attend any of the games, you have certainly missed one of the most enjoyable things that we are doing.

This particular project in many member's opinions is one of the best, and most pleasing to be involved with since the Ambuc members get to work with the kids one on one as Buddy's.

There is no greater pleasure in the world than to have an innocent smile coming from a very excited child, it melts all of your own problems away, and creates a point in time that memories are created that will stick with you for life.

One of the parents of a child that played this year was so moved by the Challenger Baseball League that she sent a donation to the club and a kind letter.

On behalf of all Ambucs we certainly thank all parents, and we are glad to do the game for the kids.
