AMBUC of the Day Sasha Fitzpatrick

Sasha is the daughter of AMBUC Dale Fitzpatrick. She has worked in the family business, Life Safety Design, in many capacities since she was a teenager. She is currently finishing her Bachelor's degree in General Studies with a minor in Business.

She worked at Disney World for a year as an Attraction Hostess. It proved to be a very interesting year. She has two dogs and loves to grow roses.

Program: Phil Summerford Emergency Management Service

Phil explained to us that EMS is not a first responder, but rather a resource manager. Some of their responsibilities are to support the local dive teams with underwater recovery, support the fire department with a Hazardous Material Team, and provides mobile command post with generators, lights, backhoe and other supplies.

This group depends on volunteers as staff. The volunteers must go through extensive training and some help with the search and rescue team as well as storm spotting.

And yes, they are responsible for the siren test the first Tuesday of each month.

Children Christmas Party December 3-8:30am-Days Inn

Chairs, Janet Myers and Melissa Rome let us know many of the arrangements are made, but if you have any activity ideas let them know. We may have secured a couple of clown volunteers from our own club. Be sure to sign up or call them to help with the party, we need lots of volunteers at this event.

Adult Christmas Party December 3-1pm-Turtle Run

Chairs, Kathy and Cathy High tell us that the plans are going well. This is quite a party so sign up and join in on the fun.
